Dr. Shields Warren
Director of Biology and Medicine
Atomic Energy Commission
Washington, D. C.

Dear Doctor Warren:

While in Washington yesterday I learned from Captain Draeger of the Naval Medical Research Institute that there is to be another bomb blast in the near future.

Will it be possible for me, and also for Doctor Dowdy in case he wishes, to witness this blast as a representative of the NEPA Advisory Committee. Any information that you can give us on this matter will be greatly appreciated.

Cordially,

W. A. Selle

W. A. SELLE
