Dear Doctor Donaldson:

This will confirm our telephone conversation of [illegible] relevant to the change in plans for the proposed [illegible] survey this summer. The [illegible] situation has placed [illegible] [illegible] this summer.

We are cognizant of commitments you have made to the men who were to accompany you on this trip. At this late date the cancellation of the survey may make it difficult for Dr. [illegible] and Mr. [illegible] to find other appointments for the summer. We feel that you would be justified in making every effort to provide summer appointments for these men if they would be adversely affected as a result of this change.

Events during the next few months will have to be taken into consideration in deciding the extent of your participation in [illegible]. I am discussing this with you when I see you in [illegible].

Sincerely yours,
