FROM NMB-2

Dear Captain Russell:

The Atomic Energy Commission requests your concurrence and support for a proposed radiological survey of Eniwetok Atoll and a resurvey of Bikini Atoll, sponsored by the Division of Biology and Medicine.

The survey would be under the direction of Dr. [illegible] R. Donaldson, a working representative and observer for the Division of Biology and Medicine at Operation Sandstone.

[illegible] scheduled for the survey [illegible] Scientists from the School of Applied Fisheries, University of Washington, Seattle, Washington, who would meet Dr. Donaldson at [illegible] following the test. The survey party would require [illegible] for [illegible] resurvey of Bikini and [illegible]
