CLASSIFICATION OF MATERIAL ON THE RADIOBIOLOGICAL SURVEY OF THE BIKINI AND ENIWETOK LAGOONS

400561

As the result of recent releases on the Eniwetok experiments and discussions with the Navy Department, the Military Liaison Committee and your office, it is proposed to reduce the classification to RESTRICTED.

Accordingly, it is requested that you change the classification of letter dated [illegible] addressed to you by Mr. Wilson, from [illegible] to RESTRICTED. Any other material which you have pertaining to this subject should also be reclassified to RESTRICTED.
