Coord'd Study
IAEA w/human volunteers

meeting at Los Alamos
~6-7 years ago

John Totter ~ 1972

1973-1974

Call . Rowland
. Lushbaugh

Pat Durbin was tied in to this somehow.

no DOE policy on this

[redacted] 5010664

Wuchsh.

... lawsuits

not being dealt with on

Wth level.

5010665

Closely related programs all geared towards determining impact on human health in MI.

Split-up would create disorganization
budgetary problems (2 offices)
problems in coordination
split in responsibility
possibilities for endless game playing

Medical input at DOE Hdqr level essential

Interrelationships with DoI requires one channel
