Attention: Mr. C. L. Blue, Assistant Business Manager

Subject: Sub contract #106

Dear Mr. Blue:

It has been my intent to write you sooner. However, it seemed advisable to await the return from EPG of certain hardware produced against the subject contract. This statement is made, as you are probably aware of the various conversations between our Mr. Zimney and your Doctors Batzel and Fleming relative to our possible use on another [illegible] hardware. [illegible] namely to the basic ASP meters, and such use would only be [illegible] with the full approval of your office with a resultantly [illegible] reduction in contract [illegible] funds used against sub [illegible]

The ASP meters are [illegible] storage and I feel that I should [illegible] [illegible] the present time we have [illegible]
