MEDICAL SURVEILLANCE OF BIKINI WORKERS.

WHILE I WAS AT MAJURO LAST WEEK, THE DISTRICT ATTORNEY ASKED TO

DISCUSS THE SUBJECT OF NON-BIKINIANS WHO HAVE LIVED AND WORKED ON

BIKINI - SOME FOR SEVERAL YEARS. THESE MEN, WHO HAVE BEEN EMPLOYED

BY THE DISTRICT (AS AGRICULTURISTS, FOR EXAMPLE) WILL NO LONGER

HAVE EMPLOYMENT AFTER THE BIKINI EXODUS AND THUS WILL RETURN TO THEIR

HOME ATOLLS. THEY ANTICIPATE THAT THERE WILL BE SOME MEDICAL FOLLOW-

UPS OF THE BIKINIANS AND WONDER IF THEY WILL BE INCLUDED.

I TOLD THE D.A. THAT THE FOLLOW-UP SURVEILLANCE OF THE BIKINI

PEOPLE HAD NOT YET BEEN DESIGNED IN DETAIL BUT THAT I AM CONFIDENT IT WILL NOT MAKE A GENEALOGICAL DISTINCTION BETWEEN OR AMONG THOSE WHO HAVE BEEN RESIDENT OF BIKINI FOR SIGNIFICANT PERIODS. I DID SUGGEST THAT LOGISTICS AND KEEPING TRACK OF PEOPLE WILL BE DIFFICULT AND THAT WE MAY HAVE TO RELY UPON THE DISTRICT ADMINISTRATION TO HELP WITH THAT.

LATER IN THE DAY, THE D.A. TOLD ME THAT THREE OF THE ABOVE MENTIONED MEN HAD ASKED TO TALK WITH ME. OF COURSE I SAID YES, AND THAT AFTERNOON (7/24) MET WITH:

NEBA LEKTALA - FROM MALOELAP

MILTON ANIEN - FROM NAMO

JODA HETTY - FROM JALUIT

NEBA WAS THE SPOKESMAN. ALSO PRESENT WERE JIM WINN, DIST ATTY AND HARRY BROWN.

I REPEATED WHAT I HAD EARLIER SAID TO JIM WINN, I.E. WE DO NOT EXPECT ANY MEDICAL PROBLEMS AS A RESULT OF THE BIKINI EXPOSURES: THE FOLLOW-UP SURVEILLANCE OF BIKINIANS HAS NOT YET BEEN PLANNED IN DETAIL, BUT WHATEVER PROGRAM IS ADOPTED I AM SURE THAT ALL PEOPLE WHO HAVE RESIDED ON BIKINI WILL BE CONSIDERED EQUALLY.

NEBA ASKED IF HE AND THE OTHERS COULD RETURN TO THEIR HOME ISLANDS

AND EXPECT TO BE NOTIFIED OF THE PLANS. I ANSWERED YES, AND THAT WE WOULD WORK THROUGH THE DISTRICT ADMINISTRATOR TO KEEP IN TOUCH WITH THEM. HE EMPHASIZED THAT HE WOULD LIKE ANOTHER MEETING AS SOON AS OUR PLANS ARE KNOWN.

JUST AS WE HAVE ANTICIPATED, I SEE EMERGING AN EXPECTATION OF INCREASING AND CONTINUING HEALTH CARE DEPENDENCE UPON DOE. I WOULD ANTICIPATE THAT THE IN-VIVO COUNTING AT KWAJALEIN WILL LIKELY REINFORCE THIS EXPECTATION. I THINK IT WILL BE VIEWED AS SOMEHOW BENEFICIAL TO THOSE COUNTED, AND THUS SOMETHING TO BE DESIRED.

ALL OF THIS I OFFER AS FOOD FOR THOUGHT. I THINK IT WOULD BE MOST WORTH-WHILE - IN FACT ESSENTIAL - TO HAVE A MEETING SOON OF (AT LEAST) WEYZEN, CONARD, PRATT, VAN CLEVE, WINKEL, DE BRUM TO DEFINE THE PROGRAM AND DELINEATE RESPONSIBILITIES. I WOULD HOPE TO PARTICIPATE AND WOULD URGE THAT OUR HONOLULU (PASO) OFFICE BE INCLUDED ALSO.

FINALLY, THIS WHOLE MATTER REINFORCES THE NEED FOR EARLY ACTION TO REINSTATE OUR SHIP SUPPORT CAPABILITY.
