SEP [illegible] 1954

Mr. Lamont Rowlands
Picayune
Mississippi

Dear Monte:

Thank you so much for the additional information regarding the tung oil.

In accordance with your suggestion, we are taking steps to present the material to the National Research Council's Committee on Cancer Diagnosis and Therapy. We believe that this Committee is the appropriate group to [illegible] the efficacy of the tungolin oil preparation.

Sincerely yours,

Lewis L. Strauss
Chairman
