Subject: Change in Contract Item Numbers

Dear Sir:

A recent review of the Contract Items which are to be included in the Fiscal Year 1954 Construction Program indicates the following changes in description and number assignment should be made:

A. We are advised by your Resident Manager, Mr. Wynkoop, that the Communication and Radio Building in the Camp Area, Site Tare will not be constructed, therefore, the Contract Item A-14 will be considered as vacant.

B. Contract Item A-51 which formerly was described as Machine Shop (Elmer). This Machine Shop will not be constructed during Fiscal Year 1954, therefore, Contract Item A-51 should be corrected to read, "Addition to Sheet Metal Shop (Elmer)."

C. Contract Item A-57, originally described as Replacing Fuel Lines (Elmer) will not be constructed during Fiscal Year 1954. Contract Item A-57 should be corrected to read "Temporary Camp Facilities (Nan)."

D. Contract Item A-63, originally described as Recreational Facilities and Hobby Shop (Elmer). This construction will not take place during Fiscal Year 1954. Contract Item A-63 should be corrected to read "Temporary Camp Facilities (Nan)."
