

Localized Lessons Learned

GOAL: Create a support network of lessons learned experts from a broad spectrum of programs and contractors to enhance local lessons learned programs and promote integration of lessons learned into Laboratory activities.

LANL Lessons Learned Network

- ◆ **Laboratory-wide initiative that includes prime and subcontract workers from diverse programs**
- ◆ **Supports brainstorming and resource sharing**
- ◆ **Promotes work-level lessons learned activities**

Localized Lessons Learned

Participating Organizations

- ◆ **Facilities and Waste Operations**
- ◆ **Nuclear Materials Technology**
- ◆ **Services Support/Crafts**
- ◆ **Occurrence Investigation**
- ◆ **Accelerator Operations**
- ◆ **Project Management**
- ◆ **Physics Research**
- ◆ **Guard Force**
- ◆ **Security**

Localized Lessons Learned

Network Mission

- ◆ **Advocacy**
- ◆ **Awareness**
- ◆ **Information Sharing**
- ◆ **Program Development**

**Partnering with other Laboratory initiatives
associated with ISM implementation**

Localized Lessons Learned

Network Accomplishments

- ◆ **Posted lessons learned message on LABNET**
- ◆ **Published articles in employee newsbulletin**
- ◆ **Performed educational outreach presentations**
- ◆ **Established searchable database that automatically generates tailored publication announcements**
- ◆ **Coordinated UC tri-Laboratory sharing initiative**
