School Children Preparations and Plans

Fillout and provide your child with a copy of the "Family Communications" Plan

- Download for printing at:

www.eh.doe.gov/health/hservices/occmed/familypreparedness.htm

- Hardcopies available at display in Germantown and Forrestal

Make sure the teacher knows your child has this plan with him or her at all times.

Talk to your children's school officials about the school's emergency plans.

Be sure your child understands that if an emergency occurs at school or on the bus, the child should remain calm and follow the directions of the teacher, principal, or bus driver.
