The Under Secretary of Energy
Washington, DC 20585

October 16, 2007

The Honorable A. J. Eggenberger
Chairman
Defense Nuclear Facilities Safety Board
625 Indiana Avenue, NW, Suite 700
Washington, DC 20004

Dear Mr. Chairman:

This letter is to inform you that the Central Technical Authority (CTA) for the Department of Energy has completed Commitment 3 in Revision 2 of the Department's 2004-1 Implementation Plan. The deliverable for this commitment is the enclosed memorandum to Secretary Bodman declaring that the CTA function is implemented and providing the basis for this declaration.

If you have any question please contact me or have your staff contact Mr. Richard Lagdon at (202) 586-9471.

Sincerely,

C. H. Albright, Jr.
