Subject: Donaldson Experiment

Dear Sir:

Attached hereto is copy of a [illegible] dated January [illegible], 1954 from F. A. McEneany, [illegible] Industries, with respect to [illegible] contracts and purchase orders for the Donaldson Experiment.

I am instructing Mr. McEneany to expedite the remaining items on Contract AT-(29-2)-[illegible], [illegible] AT-(29-2)-[illegible] is with the [illegible] Company of St. Louis, Missouri, it probably would be more effective for your office to expedite the items remaining on this contract. We are not known to these people and, therefore, I feel that expediting efforts from this end would be rather ineffective. We will, however, as pointed out above, take care of the expediting of Items 25 and 44 with A. S. Aloe Company.

Very truly yours,

HOLMES & HARVER, INC.
