

# SELLS Workshop

## October 2006

Intergovernmental  
Intergovernmental

Multi-Organizational  
Multi-Organizational

# Mission Statement

The mission of this committee is to establish protocol for information exchange across governmental (and private organizations). The methodology for achieving this goal is to be determined by the committee and presented to the SELLS Executive Committee for approval.

Once approval is given, the committee will develop a fact sheet for inclusion on the SELLS web page and provided to the SELLS membership.

# SELLS Business Contacts

- J.M. Huber Corp
- Port of Seattle
- Colonial Pipeline
- Naval Research Lab
- Reynolds & Reynolds

# First Steps

- Review SELLS workshop attendance records to identify interested organizations.
- Establish the committee membership.
- Increase our understanding of the other Lessons Learned programs to clarify the best approach.

# Request for Committee Members

The desired committee would include participants from DOE, other Governmental Agencies and interested Private Industry.

Volunteers are needed !

# Request for Committee Members

The desired committee would include participants from DOE, other Governmental Agencies and interested Private Industry.

Volunteers are needed !

**Act quickly: the committee will be limited to the first 99 volunteers!**

# For Today

In an effort to promote our awareness of other Lessons Learned programs, two guest speakers have been invited to our workshop.

Let us welcome

Loren Plisco – Nuclear Regulatory Commission

and

William Moore – Dept. of Homeland Security
