

Office of Environment, Safety, and Health

Expectations for DCSs/Bulletins/Alerts

**Tom Williams, EH-32
September 15, 2005**

DCSs

- ◆ Targeted lessons learned for SCI-DI community
- ◆ Local evaluation of problem
- ◆ Local dissemination as needed
- ◆ Push mail – bridge to Bulletins

Recent DCSs

- ◆ **Sherwood Harsco PSVs**
- ◆ **Respirators**
- ◆ **Vehicle Security Barriers**
- ◆ **Bushmaster Rifles**
- ◆ **Bolts**

Bulletins

Environment, Safety and Health Bulletins
are issued to share information and
recommend actions on potential safety
issues.

- ◆ Broader audience
- ◆ SCI-DI is only one focus
- ◆ Site Management Evaluation
- ◆ ORPS reporting

Recent Bulletins

- ◆ **Vertical-Rail Fall Protection**
- ◆ **THORP Leak**
- ◆ **BP Refinery Explosion**

ALERTS

Environment, Safety and Health Alerts are issued to initiate immediate action on potentially significant safety issues.

- ◆ ***Broader issues***
- ◆ ***Management actions***
- ◆ ***Response required***
