

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Joseph C. Clarke, Acting Manager  
New York Operations Office

FROM : Charles L. Dunham, M.D., Director  
Division of Biology and Medicine

SUBJECT: ANALYSIS OF EPG SAMPLES

SYMBOL: BMBP:GMD

DATE: May 9, 1957

I have asked Mr. James Reeves to forward to the Health and Safety Laboratory the following samples from the EPG: (a) about six samples each of the flesh and livers of edible fish, and (b) about a dozen urine specimens. Would you please have the Health and Safety Laboratory analyze these samples for Sr<sup>90</sup> and in addition analyze the urine specimens for Plutonium and Cs<sup>137</sup>.

Attached are copies of relevant correspondence for the information of the Health and Safety Laboratory.
