Dr. Forrest Western
U. S. Atomic Energy Commission
Division of Biology and Medicine
1901 Constitution Avenue, N. W.
Washington 25, D. C.

Dear Forrest:

I am enclosing a copy of the recent Marshall Island Survey data for your information. Since the table was prepared we have received the information which was incomplete and also several corrections with some of the original data. Of most importance is the correction of sample 3815 which was originally recorded to be too high by a factor of 100.

Sincerely yours,

Ira B. Whitney
Assistant Chief
Analytical Branch
