Dear General Clarkson:

Dr. Charles L. Dunham, Chief of the Medical Branch of this Division of the Atomic Energy Commission will accompany the special medical team and will be associated with its AEC medical liaison. In addition to this official relationship, he will, of course, perform such professional duties as may require his participation in connection with the special medical program. Dr. Dunham carries both military and AEC travel authorizations to use as needed in connection with his AEC responsibilities.

Sincerely yours,
