Brigadier General Alfred D. Starbird
Director of Military Application
U. S. Atomic Energy Commission
1901 Constitution Avenue
Washington 25, D. C.

Dear General Starbird:

I am enclosing a copy of Dr. Felt's staff paper on the use of Taongi. The only comment I would like to make is that the assumptions changed somewhat between the time this report was prepared and when Mr. Gibbins' study was made. In our present thinking the construction is much less than even the minimal case treated in the enclosed 7.1 material.

Sincerely yours,

R. N. Wallstedt
for G. W. Johnson
Test Division Leader
