INTERSERVICE SUPPORT AGREEMENT NO. 5B-C62KVQ-0005-7 BETWEEN  
U. S. ARMY AND U. S. ATOMIC ENERGY COMMISSION

Gentlemen:

It is noted that the subject support agreement terminates June 30, 1970. Since the Atomic Energy Commission has a continuing requirement for logistic and administrative support for the AEC Bio-Med Program at Kwajalein, it is requested that the agreement be extended for a period of five years.

Please note the organizational change in the name of our office. It is also requested that Item 6A of the agreement and Paragraph III, Terms and Conditions, be changed to read "U. S. Atomic Energy Commission, Pacific Area Support Office (PASO)."

The support given to the Medical Survey team at Kwajalein by Col. Miller and Global Associates is very much appreciated.

Very truly yours,
