Dear Don,

Dr. Ackerman, Vickary, Wollner, Dobyns, and Meisner are all available for 8-9 June. I suggest that you plan to come to Brookhaven on Friday, 5 June. Take the Winston Limousine directly to 5 Ivy Lane. Low tide will be at about 9:30 or 10:00 a.m., which would give us an opportunity to collect some mollusks; high tide will be around 4:00 p.m., allowing water skiing. You can stay with us, and if you bring your tennis racquet we can play over the weekend and from 7-8 on the mornings of 8 and 9 June. at the Lab if you wish. Somewhere in between these efforts you and Brown can get all the material together for the review on 8-9 June.

Warmest personal regards.

Sincerely yours,

E. P. Cronkite, M.D.
