BROOKHAVEN NATIONAL LABORATORY
MEMORANDUM

DATE: 10/2/75

TO: R. A. Conard, M.D.
FROM: R. B. Aronson, Acting Chairman
SUBJECT: SUNY Committee Appointment

The School of Basic Health Sciences has restructured its standing Committee on Appointments, Promotions and Tenure, increasing its membership to include one clinical campus representative. Each of the four clinical campuses will provide, on a rotating basis, one member, holding the rank of full Professor, to serve a one year term. I would like to request that you represent the Clinical Campus at Brookhaven for the coming year. I appreciate the fact that this is just one more chore added to your normally busy schedule, but it is very important that Brookhaven, with its ever increasing involvement with the Health Sciences Center, take an active part in faculty decisions.

Please sign and return the enclosed copy of this memo if you accept this appointment.
