Mr. Charles L. Marshall  
Division of Public and Technical Information  
U. S. Atomic Energy Commission  
1901 Constitution Avenue  
Washington 25, D. C.

Dear Mr. Marshall:

Reference is made to telephone conversation of this date between Mr. Nash of your office and Major John Gulley, AFSWP, concerning dissemination of the following SANDSTONE reports:

SANDSTONE NUMBER	TITLE
20	Blast Measurement Summary Report
31	Radiological Safety Instruments

Both reports have been reviewed by this headquarters and in our opinion may be considered Type "B" Restricted Data. It is not suggested that any change be made in the principal classification.

Copies of each report are in the custody of the Division of Military Application. It is requested that your office review the reports and advise us whether you concur in our proposal to disseminate the reports, within the Department of Defense, as Type "B" Restricted Data.

Declassified by DNA, Chief, ISTS

Sincerely yours,
