

Dr. Donald Gardiner, Chief, Biology Branch
Technical Services Division, Chicago Operations Office

October 27, 1954

Dr. Karl L. Green, Geneticist, Biology Branch
Division of Biology and Medicine, Washington, D.C.

CONFERENCE ON GENETICS AT ANL ON NOVEMBER 19-20, 1954

SYMBOLS: DS:ELG

1. Plans for the Conference on Genetics at ANL on November 19-20, 1954 are still developing.

2. The following geneticists have accepted our invitation to attend the meeting. With the exception of Dr. Powers, they have been asked to inform you of their time and place of arrival in Chicago. Some, maybe all, will arrive on Thursday, November 18, and will want space in the Guest House. Some will probably stay over Saturday night, November 20.

Dr. E. C. Stakman
Dr. Curt Stern
Dr. G. W. Beadle
Dr. H. H. Plough
Dr. H. B. Glass
Dr. T. K. Giles
Dr. J. V. Neel

Dr. W. S. Stone
Dr. Bruce Wallace
Dr. F. L. Russell
Dr. W. R. Singleton
Dr. E. L. Powers
Dr. Th. Dobzhansky

3. In addition, space in the Guest House should be held for the following people from the Division of Biology and Medicine:

Dr. John C. Bucher
Dr. E. L. Green
Mrs. J. K. Strauch

Dr. Green and Mrs. Strauch will probably arrive early on Thursday, November 18.

4. Would it be possible for you to arrange for an informal dinner for the group for Friday evening, November 19. The dinner group might include yourself, Dr. Brues, Dr. Fischer, Dr. Grath, Dr. Ahret, and other staff members who have a major interest in genetics. The cost of the dinner may be defrayed by a pro rata charge to each individual who attends.

Mrs. Strauch is coming from the Washington office to take care of numerous secretarial problems during the conference. In addition, would you hire a Stenotypist to keep a verbatim record of the conference and to submit
