SUBJECT: REPORTS ON FALL-OUT FROM GREENHOUSE MONITORING OPERATIONS

In his teletype NRC-74 of June 11, 1951, L. F. Reichle requested that a summary report of the results of the subject monitoring operations be sent to you. In our memorandum of July 17, 1951, we forwarded reports from Utah and Berkeley. This is to call to your attention that the ANL report has now been completed and is available as ANL-4739.

We will assume unless otherwise advised that the aforementioned reports will satisfy your requirements.
