David L. Narver, Jr. Modification to Bldg. 344-Elmer

October 5, 1953

R
grd

Revision #2 to drawing 1205-EE-2 is being transmitted under separate cover this date. It is realized that work covered by the drawing in Room 107 of Building 344-Elmer is virtually complete; also, that piping for the air-expansion engine, as well as the other pieces of equipment, is being installed as directed by the user. However, we are forwarding the drawing for your information and for use in the preparation of "As-Builts".
