Subject: Packing and Crating for Esivetek Marine
Biological Laboratory

Dear Sir:

With reference to your letter dated February 16, 1954, all laboratory supplies from the Esivetek Laboratory have been received complete at Pacific Ports Industries, with the following exceptions:

- Item 109 - Received Complete, but 1 Bottle Broken
- Item 110 - 5 Bottles Received - 7 Bottles Short
- Item 112 - Received Complete, but 1 Bottle Broken
- Item 125 - All Flasks Received, but 1 Stopper Short
- Item 126 - All Flasks Received, but 1 Stopper Short and 1 Flask Broken
- Item 127 - All Flasks Received, but 2 Stoppers Short
- Item 129 - Has not been Received
- Item 132 - 24 Watch Glasses Received - 12 Watch Glasses Short
- Item 137 - Has not been Received
- Item 148 - Has not been Received
- Item 149 - Has not been Received
- Item 162 - Received Complete, but 1 Tube Broken
- Item 191 - 7 Clamps Received - 5 Clamps Short
- Item 228 - 10 Trays Received - 6 Trays Short
- Item 260 - Has not been Received

It is noted that upon receipt of the above at Pacific Ports Industries, the cartons were crushed and opened and, therefore, exception was taken at that point.

This shipment, less the damaged material, was forwarded to Travis Air Force Base on March 16, 1954.
