TOP SECRET 6/2/63  
RE: IBM 1401 6232-NA-3

DATE: 19 September 1953

R

We are transmitting herewith for your information two prints of Drawing 6232-NA-3, marked print #1 and #2. Print #1 was obtained from the original transparency received from the Home Office, while print #2 was made from a transparency revised to show the changes that were made in the print that I hand carried to the Folioite.

It is requested that the revised drawing be issued to the field.
