

# CSTC 2004 PROJECT BALLOT

**Please Print Your Name:**

**Organization:**

## PROPOSED TOPICS -- Circle 5 for CSTC Work in 2004

1.	Implementation of Recommendations made in CSTC 2003-B, 'An Analysis of DOE Chemical Incidents'
2.	Continuation of CSTC 2003-C, 'Current Chemical Hazard Characterization Practices at DOE and Suggested Recommendations'
3.	Continuation of CSTC 2003-D, 'Methods for Addressing the Hazards of Time-Sensitive Chemicals'
4.	Continuation of CSTC 2003-E, 'Chemical Exposures During Closure Activities'
5.	Develop an appendix to the Chemical Management Handbook, Volume 3, that provides an attachment to each chapter with an in-depth explanation of the consolidations performed, and explains how the user should proceed (e.g., with practical illustrations of the process steps required.)
6.	Reducing Chemical Use, Waste, Risks and Cost -- Waste minimization and inventory reduction.
7.	
8.
