To

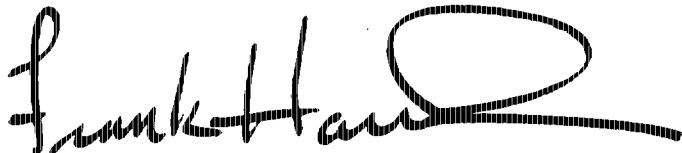

His Excellency Banny de Brum
Ambassador of the Republic of
the Marshall Islands
Embassy of the Republic of
the Marshall Islands
2433 Massachusetts Avenue, NW
Washington, DC 20008

Dear Ambassador de Brum:

As a result of our continuing search for documents pertinent to the Republic of the Marshall Islands' request for information on the Marshallese medical program provided by the Department of Energy (DOE) and its predecessors, this letter transmits six boxes of reports and documents on this subject that are available at the DOE's Coordination and Information Center (CIC) located in Las Vegas, Nevada. An index of contents is also provided for each box.

Due to the volume of documents involved, I am sending this letter for Foreign Minister Muller along with his enclosures directly to Ambassador Joan Plaisted at the American Embassy in Majuro. Ambassador Plaisted will then deliver the boxes directly to Minister Muller.

Sincerely,

Frank Hawkins
Director
Office of International
Health Programs
