Knoxville, TN

2009 FTCP Operational Plan

Goal 1 - Subteam Integrate Safety and Security

Working Group

Pat Worthington, HS-10 (Co-Champion)

Winnie Lehman, NNSA Service Center
(Co-Champion)

Ali Ghovanlou, HS-10

Jeannette Yarrington, HS-10

Russ Showers, HS-51, NTC

Ray Phifer, NSO

Recently Issued

- **Updated DOE STD 1171 (FAQS)**
 - issued May 2009
- **DOE STD 1123 (S&S GTB)**
 - issued July 2009

Issue Paper on Integration of Safety and Security

- Integration allows security to take advantage of formal structure and practices of the FTCP in advancing the technical and operational nature of the security field

Issue Paper on Integration of Safety and Security (cont.)

- Proposes establishment of Senior Technical Safeguards and Security Manager (STSSM) as official FTCP position, appointed as agents

Integration of Safety and Security Path Forward

- DOE STD 1171 being revised over next 2 years
 - Separated into 8 topical areas
- Criteria will be established for STSSM positions
- NTC will develop training for STSSM

Goal: To integrate security and safety GTBs in 5 years

Recommendation

- To integrate security into the FTCP, allow individuals meeting STSSM criteria to serve as FTCP agents.
