

To: Distribution

The purpose of this message is to provide the details associated with the 2006 DOE / Contractor Fire Safety Workshop. It will be held at the Belair Conference Center in Augusta, Georgia, Tuesday through Thursday, April 25-27th, 2006. (You may receive this message more than once, as we are using various distribution lists.)

The [attached file](#) contains the current workshop agenda. NOTE: If you have not already submitted a registration form and received an acknowledgement from me via E-mail, please do so as soon as possible. Please complete the [registration form](#).

MEETING SITE

**Belair Conference Center
4083 South Belair Road
Augusta, Georgia 30909**

It is located at the I-20 and Belair Roads Highway Interchange, a short drive from the Augusta airport. For additional details on the conference center, go to:
<http://www.realpagesites.com/belaircenter/page2.html>

We strongly recommend making your flight and hotel reservations early. While Augusta is the most locally convenient airport into which you can fly, other options include the airports in Atlanta, Georgia, and Columbia, South Carolina.

HOTELS

There are a number of hotels that are both within per diem and within walking distance of the conference center. Because of this fact, cost considerations, and the desire to avoid the risks associated with one hotel, workshop attendees will be obligated to make their own individual hotel accommodations. All of the following hotels will honor the government per diem rate of \$69. (M&IE is \$39.) They are listed by proximity to the center. All are equipped with refrigerator, microwave, coffee maker, wireless internet, and have a complementary continental breakfast.

Hampton Inn & Suites (3 years old)
Telephone; 706-860-1610

Quality Inn (4 years old)
Telephone; 706-855-2088

Wingate Inn (5 years old)
Telephone; 706-860-8223

America's Best Inn & Suites (1 ½ years old)
Telephone; 706-855-9111

Best Western Evans Hotel (3 years old)
Telephone; 706-651-9100

Super 8 Motel Augusta (5 years old)
Telephone; 706-396-1600

Motel 6 (3 years old)
Telephone; 706-651-8300

If you have any questions on logistics (travel, hotels, etc.), contact either [Garry Yaffe](mailto:garry.yaffe@srs.gov) on 803-557-3249 (garry.yaffe@srs.gov) or [David Boyll](mailto:david.boyll@srs.gov) on 803-952-8000 (david.boyll@srs.gov)

SOCIETY OF FIRE PROTECTION ENGINEERS MEETING

The local chapter of the SFPE is cordially inviting all workshop attendees to their monthly meeting on Tuesday, April 25th. In addition to a "social hour" that begins at 5:30 PM, the meeting features a lavish buffet dinner at 6:00, followed by a presentation of a detailed analysis of the collapse of the World Trade Center on 9/11. The Speaker is Dr. William Grosshandler, PhD., of the National Institutes of Science and Technology. (This will be a much more expansive narrative from that planned during the workshop.)

If you desire to attend the meeting, you must send a check for \$15 endorsed to "CSRA-SFPE," NO LATER THAN FRIDAY, APRIL 14th. Checks should be sent to:

CSRA-SFPE
c/o Thomas Allison
202 Watervale Road
Martinex, GA 30907

If you have any questions on the SFPE meeting, please contact [Mr. Mark LeGrand](mailto:mlegrand1@mindspring.com) on 803-502-9755 (mlegrand1@mindspring.com).

OSHA TRAINING INSTITUTE (OTI) TRAINING

The focus of this course will be on the OSHA requirements of 29 CFR 1910 and 29 CFR 1926 that are directly related to fire safety and emergency response. (Note that these requirements have been incorporated into the text of the pending DOE Worker Health and Safety Rule (10 CFR 851)). Attendees will receive 1 CEU from OTI. The location of the course is the Belair Conference Center. **Note the 7:30 AM start time and 7:00 PM finish on Thursday.**

THERE IS NO COST TO YOU FOR EITHER THE WORKSHOP OR THE OSHA TRAINING!

IF YOU ARE NOT REGISTERED FOR THE COURSE, PLEASE DO SO AS SOON AS POSSIBLE USING THE ATTACHED WORKSHOP REGISTRATION FORM.

If, after reading all his good information, you are confused about anything associated with the workshop, please [contact me](mailto:dennis.kubicki@eh.doe.gov) on 301-903-4794 (dennis.kubicki@eh.doe.gov)

See you on April 25th.

Regards,
Dennis Kubicki, P.E.
Fire Protection Engineer
Office of Facility Operations Support (EH-24)
Office of Environment, Safety & Health
USDOE Headquarters.
