Lead Program Organizations are identified as the DOE program organization which oversees the predominant work of the contracting organization. The Headquarters organization represents federal employees only who work in the Washington Metropolitan area. Power Administrations represents federal employees only working at the Southeastern, Southwestern, and Western Area Power Administration. All other program organizations include federal field personnel and contractor personnel who work under the direction of the respective Program Secretarial Officer.

NOTE: Due to changes in recordkeeping requirements, data beginning with 2002 are not comparable to that of prior years.
