Dear Dr. Collmann:

The enclosed package provides the information you requested with regard to responding to the Department of Energy (DOE) Office of Environment, Safety and Health Federal Register Notice entitled, "Notice of Availability of Funds and Request for Applications to Deliver Special Medical Care in the Marshall Islands," published in the Federal Register on September 12, 1997 (62 FR 48065). Enclosure 1 provides the forms which must be submitted as part of your application, and Enclosure 2 provides additional information which may be useful to you in preparing your proposal.

Additional requirements for application submittals are provided in title 10, Code of Federal Regulations, part 602 (10 CFR 602.8).

Please note that 10 CFR 602.8 (b) requires that the application face page be submitted using the enclosed DOE Form 4650.2. DOE Form 4650.2 indicates that the application is for a research project. Although this is not the case for DOE's special medical care program in the Marshall Islands, this form must be used to comply with the regulation.

Sincerely,

Paul J. Seligman, M.D., M.P.H.
Deputy Assistant Secretary
for Health Studies
