Dear Mr. Mahoney:

This is in response to your February 25, 1997, letter in which you asked the Department of Energy (DOE) to support your upcoming Marshall Islands symposium. I have asked Mr. Tom Bell, from the Office of International Health Programs, to attend and make a presentation on the Department's current activities and future plans in the Marshall Islands.

I look forward to meeting with you on April 23, 1997, at 1 p.m., to further discuss this symposium. If you should have any questions before that time, you may contact Mr. Bell on (301) 903-5728.

Thank you for the invitation to participate. We look forward to the opportunity to share information and ideas on the Republic of the Marshall Islands.

Sincerely,

Paul J. Seligman, M.D., M.P.H.  
Deputy Assistant Secretary  
for Health Studies
