REPLY TO
ATTN OF:

SUBJECT: REAFFIRMATION OF DEPARTMENT OF ENERGY (DOE) STANDARD,
DOE-STD-1098-99, "RADIOLOGICAL CONTROL"

TO: Dennis Kubicki, Technical Standards Manager, EH-24

In August 2004, a notice of intent to reaffirm DOE-STD-1098-99 was sent to the DOE Technical Standards Managers. The notice requested comments regarding the planned reaffirmation of the standard. No comments were received. With this memorandum, DOE-STD-1098-99 is considered to be ready for reissuing. The Office of Worker Protection Policy and Programs recommends reissuing the handbook in accordance with the Department's responsibility under the 5-year "Periodic Document Review" (Sunset Review) provision of the Technical Standards Program Procedures.

An electronic copy of the revised standard in Word 2002 format is attached.

If you have any questions, please contact Judy Foulke on 3-5865 or by electronic mail (Judy.Foulke@eh.doe.gov).
