Dear Ms. Gilbert:

I want to take this opportunity to thank you for the support you have shown in your community through sponsorship of the Jacksboro Public Library's 2003 Summer Reading Program. Your continued support is very much appreciated as it provides benefits to the program that may have otherwise not been possible.

It is well known that summer reading leads to maintenance of reading skills and a love for reading for children and youth during their vacation time. As a community leader, you understand the significance of good reading skills in building a better economy, a stronger society, and a richer quality of life for all of our citizens. All Tennesseans are proud of you and others like you who are actively involved in improving literacy, education, and quality of life in our state.

Thank you for your continuing interest and support.

Sincerely,

Riley C. Darnell
