

SRS HLWD AWARD WINNING P2 PROGRAM

THE PEOPLE

**The Pollution Prevention
Heroes of the HLWD.**

THE CREATIVITY

**Use of man-lift averts dressing
out in CA - avoiding significant
Job-Control-Waste generation.**

THE TECHNOLOGY

**The Instu-Object-Counting-System
can read gamma signatures through a
waste container wall. The Box Waste
Monitor will allow improved waste
segregation. These technologies are
more accurate, faster, and in-line with
ALARA than many other other
methods - and averts Job-Control-
Waste.**

**FY01 Success
156,800 ft³ Waste Avoidance
\$53,600,000 Cost Avoidance**
